

**ARTICLE SIXTEEN  
STUDENT TEACHING ASSIGNMENTS**

- A. **Qualifications To Be A Supervising Teacher:** Employees supervising student teachers shall be employees with three (3) or more years' experience except that where such employees are not available in a particular subject area or grade level. The principal may assign any employee who will voluntarily accept the assignment of supervising the student teacher.
  
- B. **Number of Student Teachers:** No employee shall accept and supervise more than one (1) full-time student teacher per semester. Any remuneration paid the District for accepting such student teacher shall be paid in full to the employee. In cases where college credit tuition waivers are given instead of remuneration, the employee shall accept the college credit tuition waiver.
  
- C. **Student Teacher As Substitute for Classroom Teacher:** No student teacher shall be used as a substitute teacher nor shall any student teacher be placed in sole charge of a classroom until the college or university supervisor, the employee, and the principal have mutually agreed that such experience is desirable.
