

Toy Drive

Imagine ...

... a child waking up on Christmas morning to find nothing under the tree ...
... or lighting the Hanukkah menorah and not receiving even a small present!

You ...

... can be the difference between tears and joy this holiday season by donating new, unwrapped toys, books, games, puzzles, stuffed animals, creative play or new clothing or shoes to BTU's annual toy drive.

All donations ...

... will go to our own Broward County school students who would not otherwise receive gifts this holiday season.
