

# **BTU** *Charter School Information*

## ANYONE HOME?

The leaders of the Broward Teachers Union would like to congratulate all charter school teachers on a successful completion of the 2006-2007 school year and to thank you again for choosing the BTU as your official contract bargaining representative.

All members should be assured that contract negotiations will continue throughout the summer. A list of tentative agreements reached so far has been posted online at [BTUonline.com](http://BTUonline.com) on the new Charter School page. The next scheduled negotiation session is set for June 14. Time and location details will be posted online at [BTUonline.com](http://BTUonline.com). All members of the public are welcome to attend.

**IMPORTANT NOTICE:** In the event a tentative contract agreement is reached during the summer months, we need to know the best way to contact you. All bargaining unit members will be eligible to vote once an agreement is reached – not just BTU members.

If you will be monitoring your Pembroke Pines Charter School e-mail address, we will send notices automatically via the school e-mail system. But, if you don't monitor your school e-mail during the summer and you have a personal e-mail address that you would prefer to be contacted at, please send it via e-mail at [Communications@BTUonline.com](mailto:Communications@BTUonline.com) as soon as possible.

In the event of a tentative agreement, we will also send an announcement via traditional U.S. mail to your home address. If you have a mailing address that is different during the summer months where you would like to be contacted, please also send it via e-mail at [Communications@BTUonline.com](mailto:Communications@BTUonline.com) as soon as possible.

You can also monitor [BTUonline.com](http://BTUonline.com), which will be updated with the most current information and announcements during the summer months. If you have any questions or concerns, please contact BTU Field Staff Representative Jamie Daniels at [954-486-6250](tel:954-486-6250) or via e-mail at [jdaniels@btuonline.com](mailto:jdaniels@btuonline.com).

Thank you for your cooperation in this important matter.
